

Achieving Better Care by Monitoring All Prescriptions (ABC-MAP)

Act 191 of 2014

ABC-MAP Board Meeting
October 24, 2017

Agenda

- Old Business

- Review/approve July 25, 2017, board meeting minutes

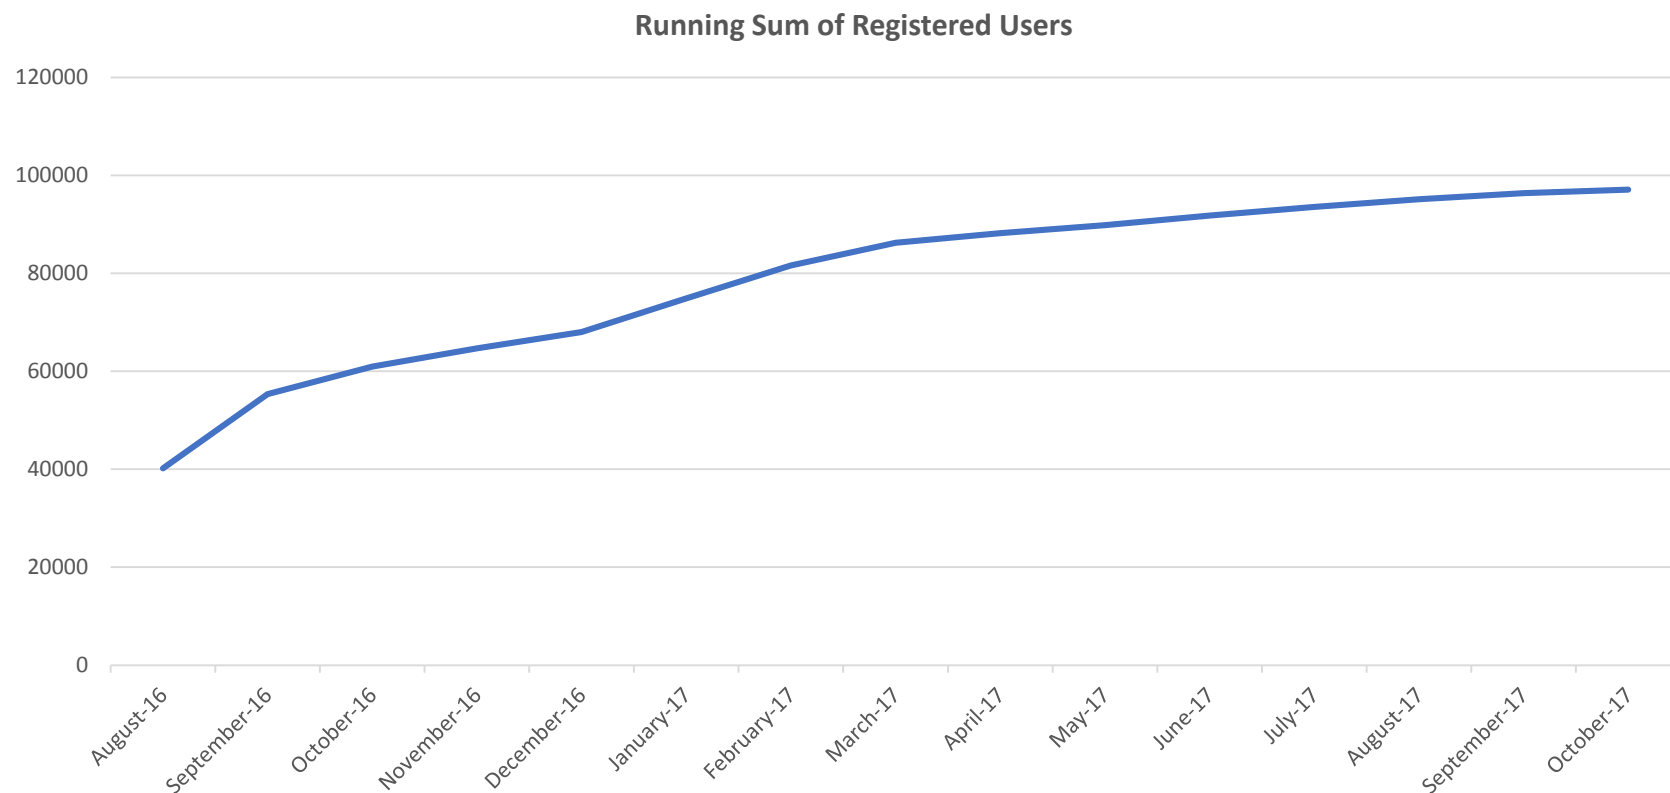

- New Business

- PDMP Update
 - EHR and Pharmacy System Integration
 - Interactive Data Report
 - Data Sharing
 - ABC-MAP Advisory Committee Update

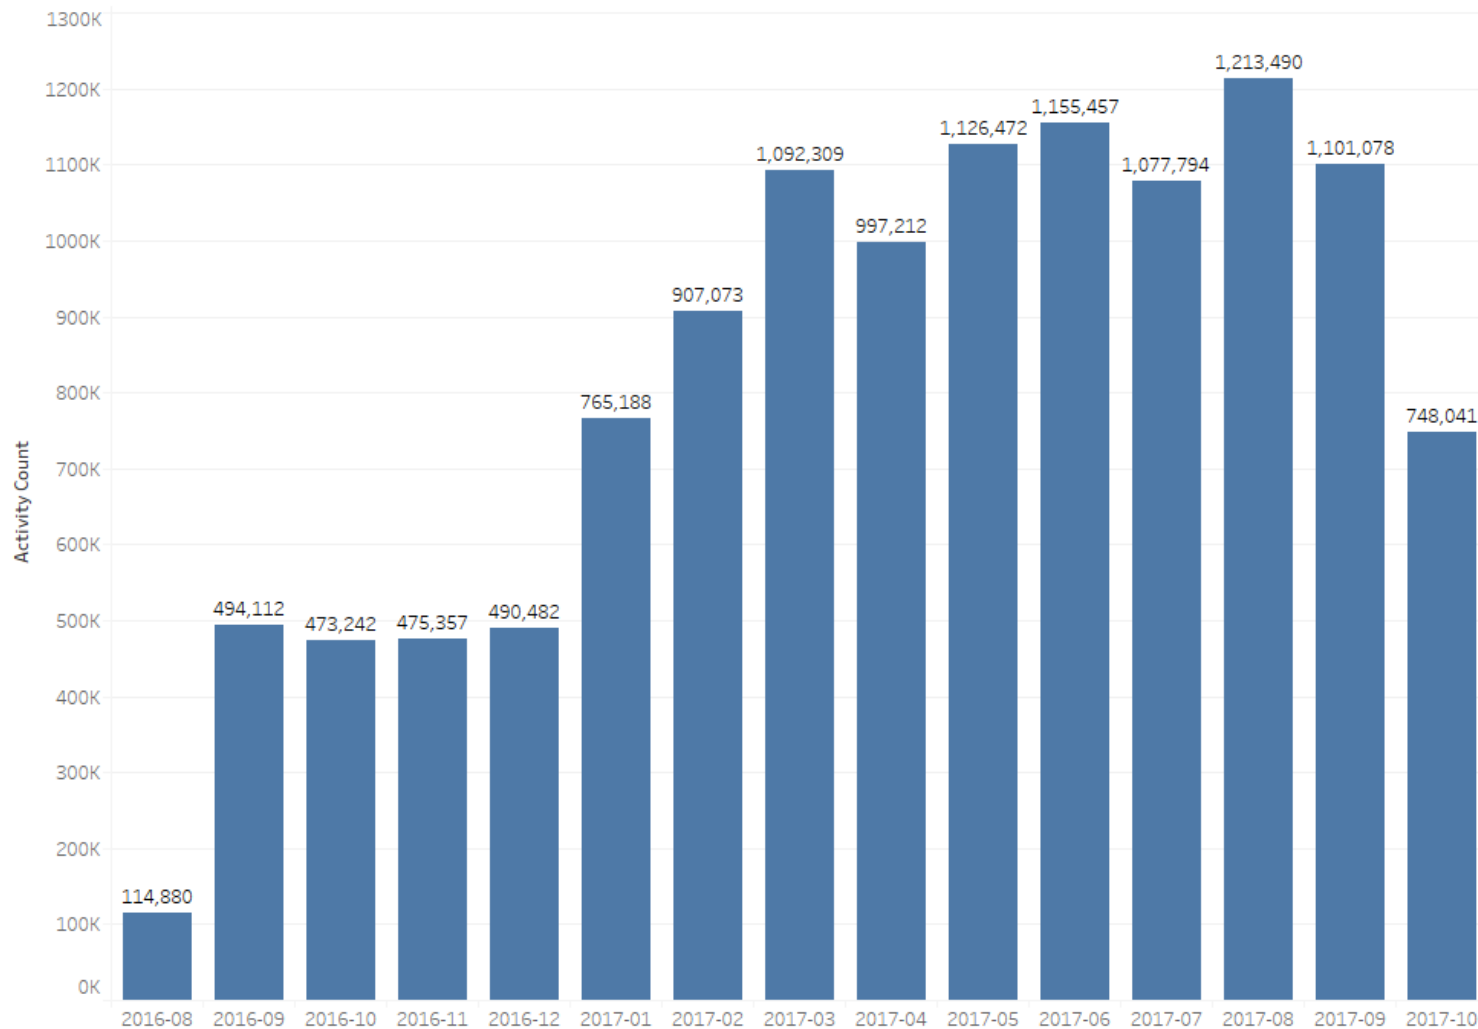

- Adjournment

PA PDMP Registration

- Over 97,000 registered users of the PDMP since August 2016

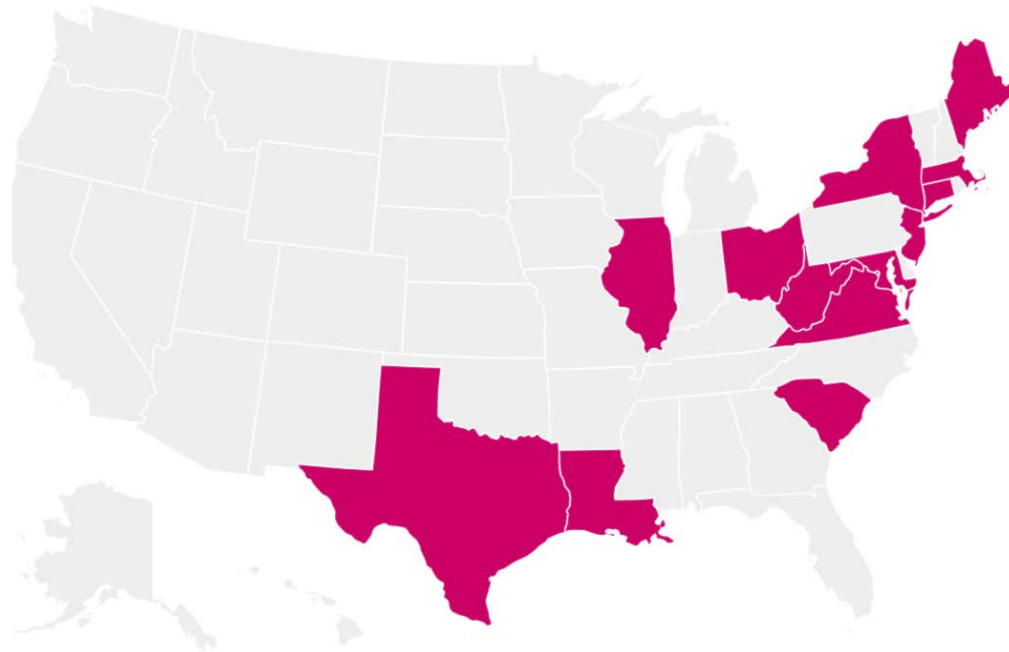

PA PDMP Patient Queries

PDMP Inter-State Data Sharing

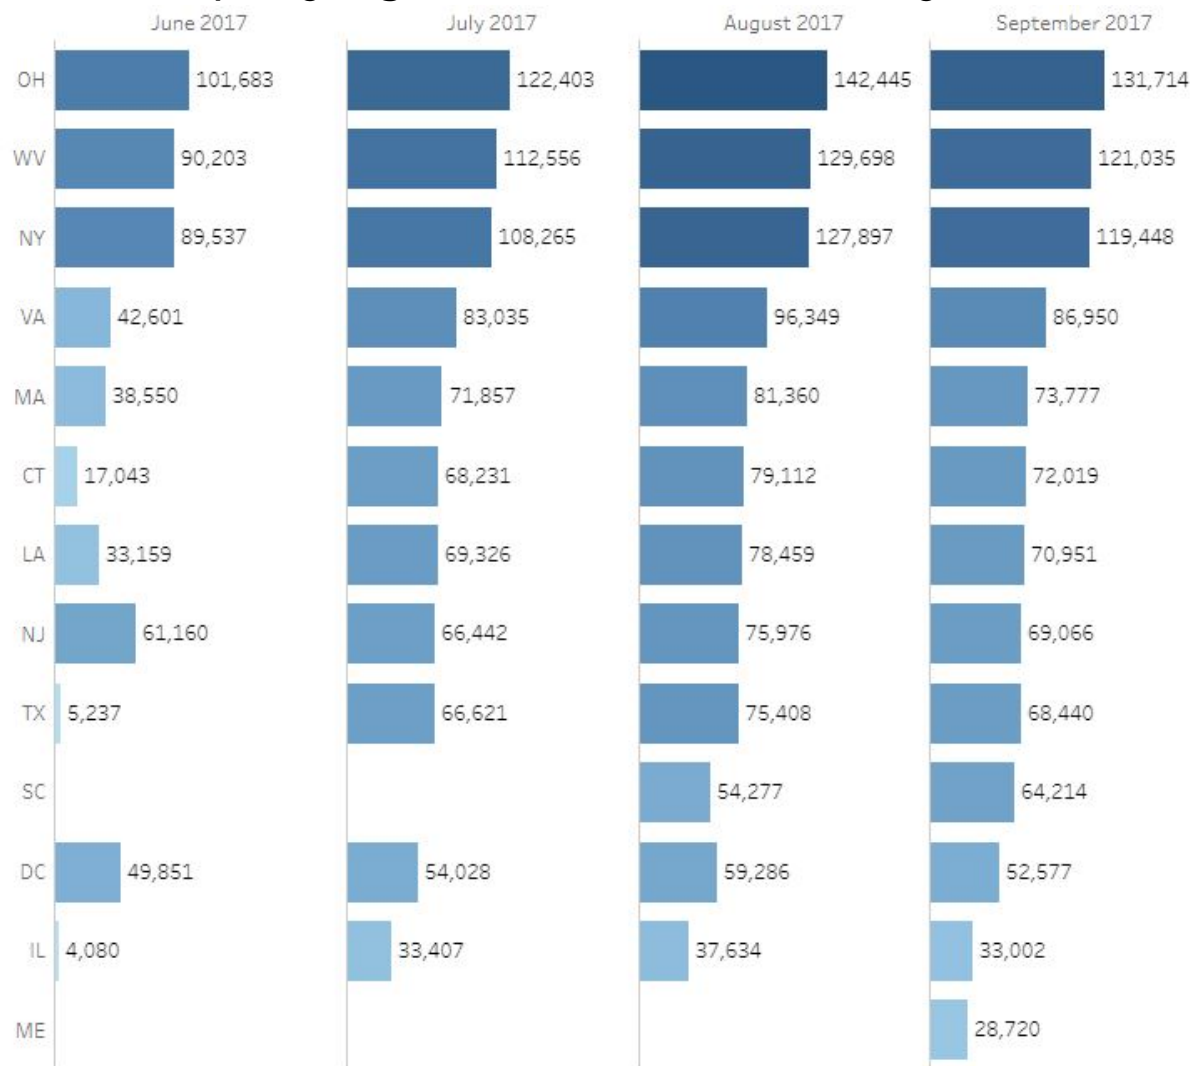

Progress

- Connected with Connecticut; Illinois; Louisiana; Massachusetts; Maine; New Jersey; New York; Ohio; South Carolina; Texas; Virginia; West Virginia; and Washington D.C.
- One-way connection with Maryland
- Discussions underway with Delaware

PDMP Inter-State Data Sharing

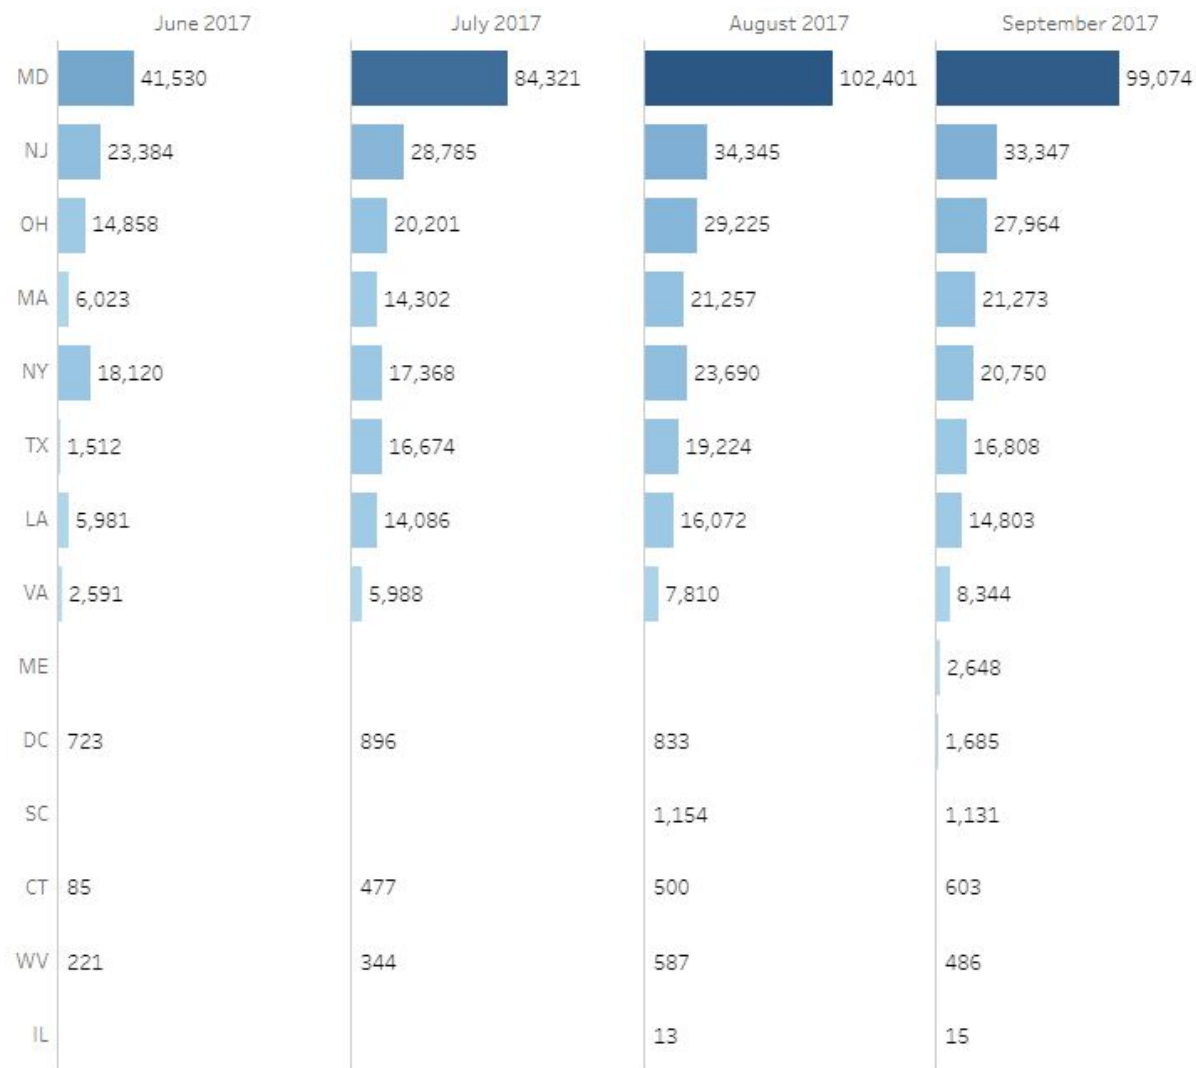

PA users querying other states' PDMP systems

Note: Inter-state data sharing with most states began in the month of June.

PDMP Inter-State Data Sharing

Other states' PDMP users querying PA PDMP system

Note: Inter-state data sharing with most states began in the month of June.

PDMP Education Work Group

Progress

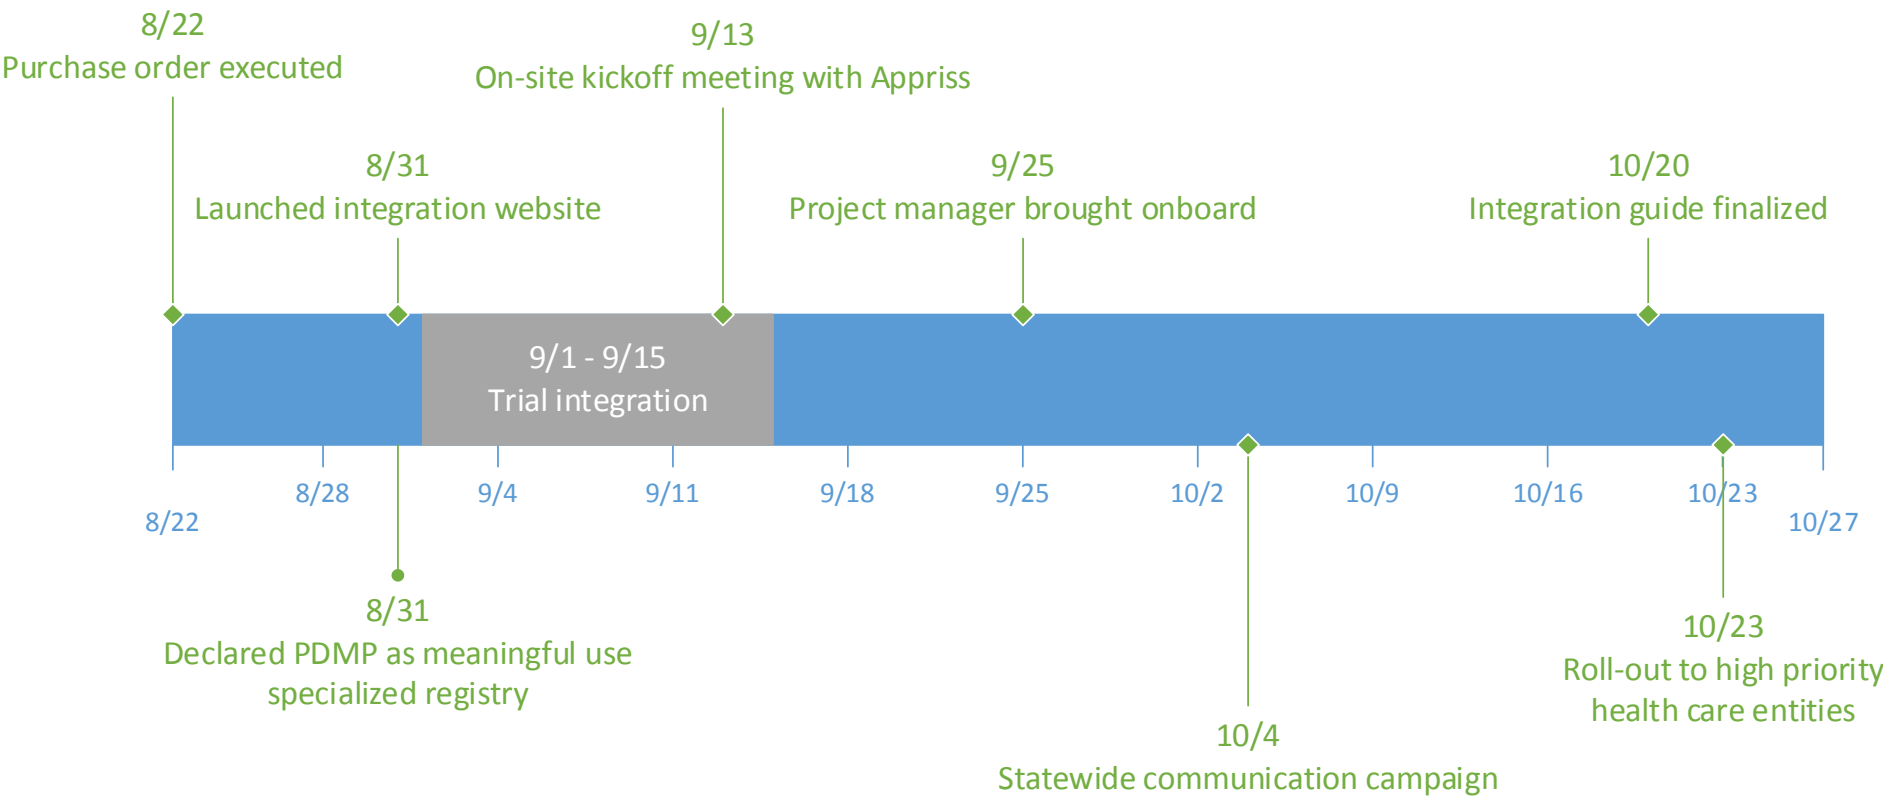

- Consists of seven modules –
 - **Module 1:** Why using the PDMP is important for achieving optimal health
 - **Module 2:** How to integrate the use of PDMP into the workflow to make clinical decisions
 - **Module 3:** Using the PDMP to optimize pain management
 - **Module 4:** Opioid prescribing guidelines
 - **Module 5:** Referral to treatment for substance use disorder related to opioid use
 - **Module 6:** Approaches to address patients' substance use disorder
 - **Module 7:** Effective opioid tapering practices
- Each module includes pocket cards, flow diagrams, resource flyers, etc. for the prescribers and dispensers.
- Under final review and targeted to be completed by Oct. 31, 2017.

PDMP Education Work Group

Progress

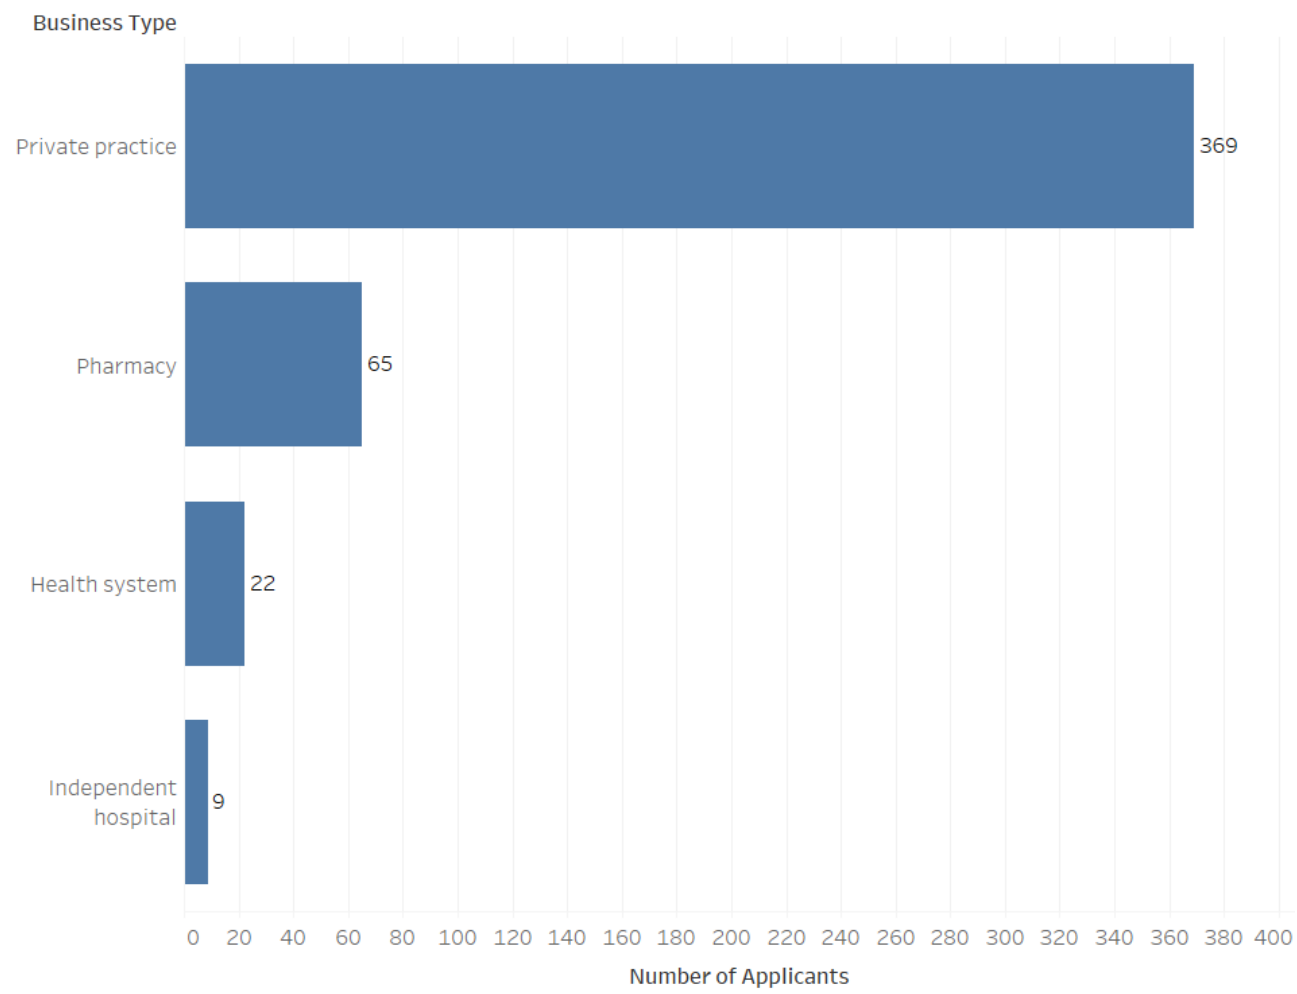

- Working towards making this educational content eligible for CME/CEs.
- This initiative will be piloted in Nov. 2017.
- More information about this educational initiative will be posted on the website.
- Health care entities will be contacted for availability for their teams to participate in an educational session(s).
- There will be webinars and live sessions – both small and large group – offered.

EHR and Pharmacy System Integration

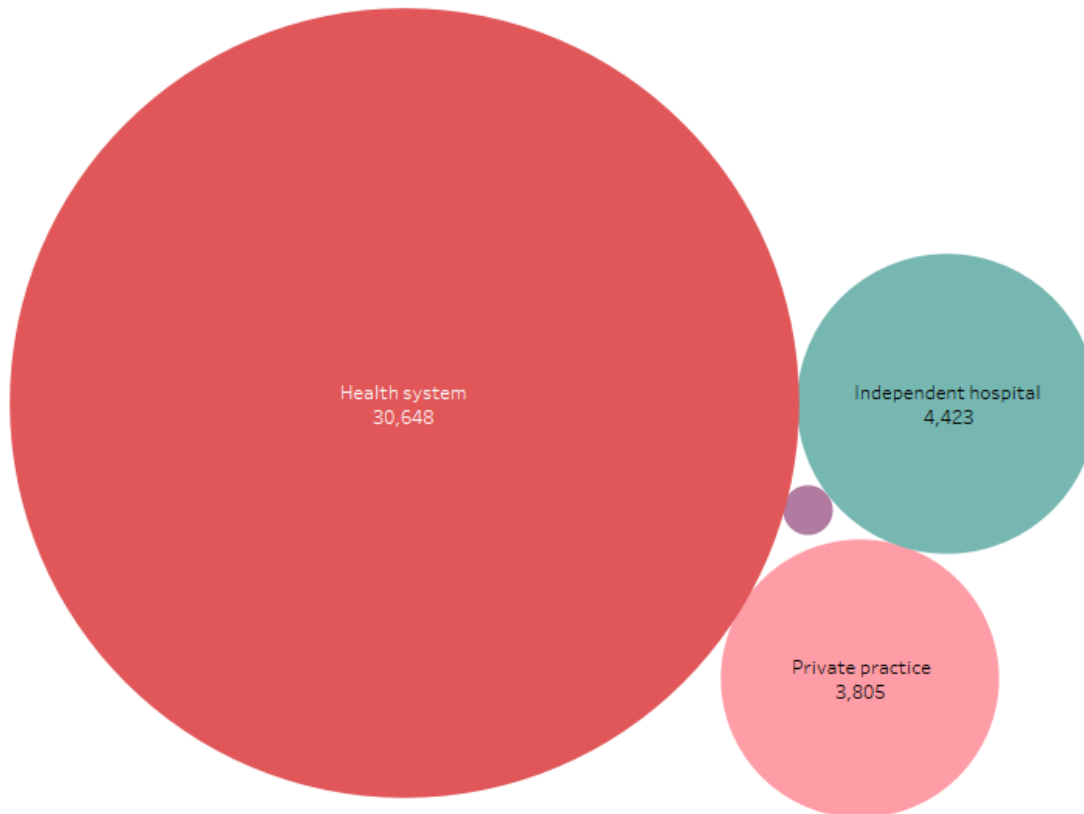

EHR and Pharmacy System Integration

Integration Request Form Applicants as of 10/23/2017

EHR and Pharmacy System Integration

Integration Request Form Applicants:
Providers and Pharmacy Stores Represented as of 10/23/2017

Business Type

- Health system
- Independent hospital
- Pharmacy
- Private practice

Business Type

Health system	30,648
Independent hospital	4,423
Private practice	3,805
Pharmacy	122

Interactive Data Report

- Demonstration of the Interactive Data Report

Opioid and Heroin Surveillance

Enhanced State Opioid Overdose Surveillance (ESOOS) CDC Grant Progress:

- Collecting:
 - Hospital ED data of all overdoses (from October 2016 – Present)
 - EMS data of all overdoses (from January – December 2016, resume data collection in January 2018).
 - Death data (from 7/2016 – 12/2016)
- Collaborating with PA MEs/Coroners to collect 2017 overdose death data.
 - PDMP was awarded an ESOOS supplemental grant in Sep. 2017 to provide 60% of the funds to MEs/Coroners.

Data Sharing Update

Progress

- Convened PDMP Subject Matter Expert (SME) Workgroup and determined the data sharing protocols and procedures for governmental and non-governmental:
 - Aggregate data sharing
 - De-identified data sharing
- Gained approval from the ABC-MAP Board Subcommittee
- Will pilot governmental data sharing requests first and then transition to non-governmental data sharing

ABC-MAP Advisory Committee

Update

- Act 191 requires Board to:
 - Appoint an advisory group comprised of dispensers, prescribers, law enforcement officials, addiction specialists, patient and privacy advocates and individuals with expertise considered important to the operation of the program. All members shall have varying perspectives and will provide input and recommendations to the board regarding the establishment and maintenance of the program. The advisory group shall not exceed 12 members.
- Appendix A consists of current 10 advisory committee members and their qualifications.

QUESTIONS?
